Serial Nos. 1—2.

Part B. for January 1910.

SUBJECT.

accepting the date proposed by the Govt of India for taking the decennial Census of 1911.

---

1) From me F. A. Resident no. 5069 & 22 12/09 Enquiries whether the 10th march 1911 proposed by the G. of I. would be suitable in respect of the Mysore State

2) To me F.A Revenue no. 5607 & 5 1/10.

With reference to his enquiry of the 10th March 1911 would be suitable in respect of the Mysore State for taking the next decennial census stating that there is no insuperable objection to that date being selected if that be finally resolved upon by the Government of India, inviting attention to the fact that date happens to be an Ekadasi or fasting day with several Hindu sects, that the enumerators of those sects would be at a disadvantage in working up the first totals and that in view also of the advantage of a moonlight night it would be better if the date be much nearer the 13th February or the 15th March than those proposed (17th February or 10th March.)
